**Jennifer Wilde Launches into Syndication with Charlie Tuna's Daily Show affiliates, Dave Skyler picks up the Hollywood Minute!**

Denver, Colorado - March 21, 2016 - On February 17th, Jennifer Wilde (formerly of Westwood One 24/7 Hot AC formats, Alice 105.9, KS 1075, KDON) stepped in for Charlie Tuna on his nationally syndicated radio show in Morning Drive, Mid-Days, Afternoons, and Nights on radio stations coast to coast.

> [Jennifer announcing Charlies passing.](#) Today, Talent Farm is pleased to officially announce that Wilde will remain, and is now available to sign on new stations, providing her on-air personality and voice work experience to the marketplace through syndication.

"It was a dream to work with a radio legend like Charlie Tuna "Jennifer said." I never imagined he'd ask me to keep his studio seat warm when he needed time off. And I surely never saw myself as the one who'd be on the radio telling the world that he'd passed away. And yet, here I am... missing him with the rest of his fans. I've been through such sadness but also smiles over the past few weeks with Charlie Tuna fans and affiliates, and feel so privileged to have been able to connect with so many people who love him. I could never fill his shoes but I was proud to have his back when he needed me. And I'm now honored to announce that I will stay on with Charlie Tuna's radio stations in syndication through Talent Farm."

The Jennifer Wilde Show is now available 7 days a week for Mornings, Middays, Afternoons, and Nights.
